## Describe the internship assignment

Greenspace is a unique retail showroom and education center specializing in green products for the home and business. We focus on providing products and services that lighten our impact on the earth and improve our health and well-being. We provide a wide array of green products including non-toxic paints and wall finishes, eco-friendly home furnishings, flooring, countertops, water saving devices, cleaning supplies, books and more. We work with homeowners, designers and contractors to provide high quality, eco-friendly solutions for home, business and building projects.

## Prerequisites: Outline the skills and background information necessary to participate in this internship.

- Willingness to complete projects
  - Patience with a busy in-store work force
  - Willingness to learn and apply these new skills to store projects
- Previous retail experience helpful but not required
