Spring 2016—CASFS is Offering 30 2-unit internships

APPLY NOW!

CASFS is offering 2 unit, lower division production internships focused on field-scale row crop and orchard care, as well as general market garden-scale tillage, planting, composting, and propagation.

- There are 10 positions offered at the Chadwick Garden, 10 at the CSA Field/Hay Barn, and 10 at the Farm Garden, on Tues/Thurs 2-5 p.m. Depending on enrollments, a Wed./Fri. 9-12 session may be offered.
- Fieldwork will constitute at least 80% of the time in the internship, and depending on seasonal workload it may be more.
- The internship includes some readings and discussions, in addition to the fieldwork activities.
- Applicants for this internship need to be prepared and enthused to work outdoors in occasionally uncomfortable weather conditions. Given field conditions, student may want to change their attire, prior or post fieldwork. Please take this time into account when considering this internship and your course schedule.
- The farm is located at the base of campus, a 10 minute walk from the nearest bus station.

If you are interested in this internship opportunity, please contact Damian Parr dmparr@ucsc.edu for an application. Positions will remain open until qualified candidates are found, and the quarter’s enrollment period allows.
