outline and schedule for the term.

Internship Description

Adventure Out is an outdoor guide service and instructional school based in Santa Cruz, CA. Our programs include Surf Camps, Rock Climbing, Backpacking Trips, Wilderness Survival Skills Classes, and several other multi-activity Adventure Trips. Internship duties take of a wide range of tasks from program instruction assistants, to office work, to marketing and advertising projects.

Interns will have the opportunity to work 1 on 1 with company principals as well as in the field with a wide range of guides. Though some of the work is mandated, interns at Adventure Out do have a great deal of freedom in what tasks they perform as well as designing their own term projects. Before beginning the internship, students will work with their supervisor to design a detailed

Prerequisites

- Interest in the outdoors is a MUST!!
- Experience with one or more of our activities is a huge plus (but not required).
- Lastly, due to the “mobile” nature of our company, some work is to be completed in the Adventure Out office, and even more is in the field. Interns MUST be able to function autonomously and with great amounts of independence and initiative.
