## Internship Description

Adventure Sports Journal is California's original outdoor sports magazine founded here in Santa Cruz. We cover a large range of topics, from lifestyle to environmental protection. The intern's duties will include content development, digital outreach, working at ASJ events, research, and editing + publishing.

## Prerequisites

Interest in publishing, reading and writing skills, public relations/marketing. Intern will use WordPress, InDesign, and Photoshop and should have good communication skills and a passion for the outdoors.
