- Quarters: Spring & Summer

INTERNSHIP DESCRIPTION

- Work with the Watsonville chapter of the California Conservation Corps (CCC) responsible for implement the project: signage, maintenance, etc.
- Map the signage for the trail of fifteen miles in diameter
- Contact and enlist the support of affiliate groups and agencies
- Work with S.C. Parks and Recreation and help with coordination with the C.C.C.
- Help develop public information program for the Trail
- Organize a public event to inaugurate the Trail, e.g., National Trails Day

Note: only the West side circle, west of the San Lorenzo River is under consideration

PREREQUISITES

Learn as you go with instruction from Dr. Lee. Mostly contact efforts and oversee collaboration with local agencies and groups. Consider and plan specific events or displays along the trail to enlist public interest. (The Circle Trail is featured on my website: ecotopia.org)
