

# Groundswell Farm Internship & Volunteer Opportunity

Groundswell Farm is a ~8 acre CCOF certified organic mixed vegetable farm located in Santa Cruz. Utilizing a combination of conscious management practices, organic inputs, and minimal water use, our mission is to grow high quality produce with minimal negative environmental impact. We specialize in production of 'Early Girl' dry-farmed tomatoes.

## Calling All Interns!

We have openings in spring, summer, and fall for both 2-unit and 5-unit internship opportunities. Tasks vary based on time of year and seasonality. You will work closely with our crew on a consistent weekly schedule. By season, tasks include:

### Spring

- Planting
- Irrigation
- Weed control
- Pest control
- Some trellising/tying

### Summer

- LOTS of trellising/tying
- Planting
- Irrigation
- Weed and pest control
- Harvest

### Fall

- Harvest
- Some Planting
- Harvest
- Some weed/pest mgmt.
- Harvest

Please contact James via call or text at (415) 613-6975. See you in the field!
