

TEACH NATURAL HISTORY BASED SUMMER CAMPS!

Kids in Nature is a local environmental education program for public school children started by a UCSC Field Quarter Alum. Our programs focus on bringing art, natural history, ethnobotany, emotional literacy, and environmental advocacy to the local youth. We are looking for summer camp leaders that are passionate about each of the planet's creatures, love children, live lives of curiosity and joy, and who want meaningful work this summer.

July 15th-19th

Birds: Their Habits, Habitats, and Languages

Forest Wizards: Shelter Building, Tracking, and Awareness

July 22nd-27th

Wild Artisans: Pottery, Weaving, Painting, and Jewelry Making in the Forest
