APPLY NOW TO BECOME A 
DOCENT VOLUNTEER 
at the Seymour Marine Discovery Center at Long Marine Lab

MAKE A DIFFERENCE FOR THE OCEANS
Work in our visitor hall and bring the excitement and importance of marine science to life for thousands of visitors per year! Our dynamic 9-week training class beginning mid-January 2019 will give you all the tools you need to interpret innovative marine science and conservation for the public.

BECOME A VOLUNTEER
• Gain experience in public speaking
• Work with animals at the seawater table and shark pool
• Participate in expanded and in-depth learning opportunities
• Lead tours of the Seymour Center and Long Marine Lab facilities

APPLY NOW! Applications due by Friday, January 4, 2019.
Applications are now being accepted and reviewed. Selected candidates will be contacted for an interview. To apply, download an application form at seymourcenter.ucsc.edu. Call (831) 459-3854 for more information. Summer availability is a must. Docents must be at least 18 years old by the start of training in January 2019.

The Seymour Center is dedicated to educating people about the role scientific research plays in the understanding and conservation of the world's oceans.
