Description of Internship

The Sustainability Office is looking for talented individuals with a passion for people and the environment to join one of our teams: Green Office Certification program, Carbon Neutrality Fellows, Zero Waste Team or Education & Outreach Teams. If you are interested in gaining professional experience in a fun and rewarding environment, send your resume and a cover letter of interest to scasey@ucsc.edu. Opportunities are available for paid, unpaid and academic credit. We actively recruit interns in Spring quarter for the following school and generally hire only students who are able to make a year-long commitment to their internship, but don't that stop you from getting in touch! We occasionally have additional opportunities. To view our current job openings visit: <https://sustainability.ucsc.edu/get-involved/jobs-internships/>

Prerequisites

We are looking for students who:

1. Demonstrate strong initiative, leadership skills, an excellent work ethic and an interest in social justice and environmental sustainability.
