FARM INTERNSHIP

ABOUT

Heartland is an off-grid, 25-acre, regenerative learning center in Northern California, providing experiences in four pillars - OuterWork, InnerWork, Celebration, and Transformation. Heartland Collective offers opportunities to co-create its vision, including through the Cultural Exchange program.

DETAILS

A 6-month experience, managing a 2-acre farm with the support of weekly mentorship from the Farm Lead and volunteer support hours. Ideally, the person will live at Heartland and participate in the community - offering an opportunity to explore their life purpose.

GAIN EXPERIENCE

Contribute to a working farm experience, learning and growing skills.

NOURISH PEOPLE

Help feed the community and provide health and wellness to guests.

LIVE COMMUNALLY

Access to housing and meals, as well as outdoor amenities and activities.
