

ENVIRONMENTAL STUDIES GRADUATION

SPRING 2020

*"Never doubt that a small group of thoughtful
committed citizens can change the world; indeed, it is
the only thing that ever has"*

- Margaret Mead

CONGRATULATIONS!

Congrats to the graduating class of 2020. All of your hard-work in the past years have culminated to this moment, and we are all incredibly proud of you.

In this difficult time you all have exhibited amazing resiliency and dedication for making transformative change to rigid structures of inequality. We are excited to see what you all will achieve in these coming years. However, we encourage that you take a moment with your friends and family to celebrate this incredible accomplishment you have made.
